

Highland Fall Baseball

Dear Parents,

I wanted to get the information out to you regarding our Fall Ball program. This is the first year we are doing this in the fall since AIA just allowed coaches and schools to work with players in the fall. With it being new we are still working our way through exactly what we want to do. I have spoken to several coaches at nearby schools and they are doing similar programs at their schools. The plan below is what we have so far but could change if we find other opportunities we like. The purpose of our fall ball program is to work on fundamentals and also get some game experience. If you have any questions please let me know.

Thank you,

Coach Cook
