**AGENDA ITEMS:**

1. Treasury Report
  - A. Current Balance - 7882.21
  - B. Upcoming Expenses - About \$1000 left to pay to install the halo, we'll probably need to buy some seed for the JV field.
2. VNet Training - Denise, Jenni, and Lisa attended. We would like to amend our bylaws to adjust the meetings. Also got the idea of possibly doing a clothing drive as a community service/fundraising event.
3. Homecoming - Carnival Wednesday 9/13, 6-8 pm. Bringing back the dunk tank. \$313 was final price, it will be dropped off during the day, and picked up right after. Still waiting on the guest List. Coach will grab table, chairs, hoses, and water key. No parade or tailgate this year. Kendra proposed that we get a \$25 gift card for the guest that gets the most tickets. Passed unanimously.
4. Guest speaker - Coach has a friend, Mike Orchard from College Baseball Advisors, that is involved in the recruiting process that would like to speak to the group (parents and players). We will try to schedule for either the Oct. 4.
5. Fall baseball - looking to start practice 2 days/week (Tues/Thurs) and one tournament/month. Started yesterday, about 28 boys showed. Took the boys down today to do some work on the field. Suggested that we plan a family "cleanup" day. Might do it along with the work to install the halo in the next few weeks.
6. Jerseys - Seniors are submitting "mockups" for grey jersey ideas. The expense of about \$80/jersey has already been budgeted and approved.
7. Golf Tournament Date - Looked at pushing date to March 3, which buys us about an extra week after tryouts. Also talked to Toka Sticks, price a little more, but we'll go walk it to check it out.

New Business

1. Football raffle - An email came today about participating in the football raffle for the Jeep.

There was extensive discussion about how to make it work logistically. Denise proposed a vote, and it was a unanimous no.

Next Booster Club Meeting Scheduled Wednesday, October 4. We should be meeting in the lecture hall for the guest speaker.
